DOE, JONATHAN  
 FLEID: 123456789012  
 SPRING 2018

SCHOOL: DEMO SCHOOL (9999)  
 SCHOOL DISTRICT: DEMO DISTRICT (99)

## PURPOSE OF THIS REPORT

With the Florida Standards in place to help Florida students succeed, the Florida Standards Assessments (FSA) in English Language Arts (ELA), Mathematics, and end-of-course (EOC) subjects (Algebra 1 and Geometry) serve Florida students by measuring education gains and progress. Assessment supports instruction and student learning, and test results help Florida's educational leadership and stakeholders determine whether the goals of the education system are being met.

This report reflects your student's performance on the Spring 2018 FSA ELA assessment. It also allows you to compare your student's score to the performance of students in his or her grade across the state and to follow your student's academic progress from year to year. In addition, by looking at the points earned in each reporting category, you can identify skill areas that may need improvement.

\* Please note that FDOE uses a scoring method called pattern scoring. As a result of this method of scoring, students with the same raw score (number of points earned) may have similar, but not necessarily identical, scale scores. Different scale scores result because the students' patterns of correct answers were different. See *Understanding FSA Reports* for more information.
